

Booneslick Trail Quilters' Guild – December 2016 Board Meeting

Our December Board meeting has been cancelled so everyone can enjoy the hustle and bustle of the holidays with their families and friends.

You should have received November meeting minutes earlier so please keep them in a safe spot for our January meeting which is scheduled on Monday, January 9 in DBRL Conference Room A at 6 pm.

A bit of housekeeping... If you haven't already reviewed the BTQG membership brochure for any edits or suggestions, please get that done and send your suggestions to Robin Heider as soon as you can. That will be a topic of discussion at our January Board meeting.

Please let me know of any questions or agenda items you wish to include for January. And, if you are unable to attend, please send me an update of your area so I can report for you.

I wish all of you a very Merry Christmas and a Happy and Healthy New Year!! Have fun...be safe...get creative...make time to sew or engage in a craft of your choice...laugh a lot and create lasting memories this season of blessings.

Thank you!

Donna Puleo
