

## Dogwood Trail Quilt:

MODA has produced a special line of fabrics to benefit the National Quilt Museum. This wall quilt was designed and made by Bettina Havig to showcase the fabrics. You too can make this quilt from the pattern and instructions below.

40"x40" finished size.

### Fabric Key and yardage requirements:

#1 background print ---  $\frac{3}{4}$  yard.

#2 small pale green print---1/2 yard

#3 all over dogwood print (there are three color ways... you can use all three or just one in the pieced border---call them # 3a, b, and c)---fat quarters

#4 large dogwood, white ground---fat quarter

#5 pink---1/4 yard (full width)

#6 large dogwood, pink ground---1½ yards (includes binding)

#7 green print---fat quarter

If you prefer one of the other color ways simply substitute. For example , if you prefer the blue ground large dogwood make that fabric your #6.

(Regular quarter yards can substitute for fat quarters)

### Center Medallion:

## Cutting instructions for center:

A --cut 1- 4 "square, fabric # 2 (small pale green print)

B—cut 2 of fabric #1, background and 2 fabric #2 —4 3/4 " and subcut on both diagonals. This will yield 8 triangles of each fabric.

C—2 each of #1, background and fabric #3 (all over dogwood print)—4 3/8" This will yield 4 triangles of each fabric.

D—cut 2 6 5/8" squares, fabric #4 ( white large dogwood print) subcut once on diagonal.

E—cut 4 strips 1 3/4" x 15 1/2" fabric #5 (pink),cut in half and in pairs with right sides together, cut 45°at one end. After the triangle corner is assembled trim even.

F—cut 4 1 3/4" squares, fabric #4

G—Cut 2 squares 7 7/8" fabric #6, subcut once on the diagonal.

H—Cut 8 strips 2 1/2" x 9 1/4", fabric #7, in pairs with right sides together, cut 45°at one end After the triangle corner is assembled trim even.

I—cut 4 squares 2 1/2"x 2 1/2" fabric # 4

Hint... stitch the triangle sections including the narrow frame as one unit before attaching to the square.

## Whole quilt layout:

## For Borders:

**First border:** Cut 4 strips 2" x 21 1/2" fabric #5 and 4 squares 2" x 2", fabric #7 for corners

**Pieced Border/Framed squares:** You need 28 Framed squares.

For each Framed square:

Cut 1 3 3/8" square for each framed square ( a total of 28 squares #3, all the same fabric or a mix of three fabrics #3a,b,and c) plus 1 2 7/8" square each of #1 and fabric #2, subcut once . You need 26 squares of background (#1) and 30 squares of #2.

**note:** the corner squares have three triangles of fabric #2 to make the corner turn.

**Final Border:** Cut 4 strips 4 1/2" x 40 3/4", miter corners.
