From the CEO...

As I write this message, I am thinking about all the wonderful effort of last years officers and volunteers. They have given us a platform to start our year with success. We as new boards appreciate all the planning and time lines that were given in each position. You are a high act to follow.

I do want you to know that this "Quilt Show " year is going to be exciting and fun. Our plate is full everyday but most of us find time (somewhere) to support the guild that has given so much to us. This year we are going to make a special effort to recognize and support our members in many different ways. We want you to know as a person, you are important. There will be a basket at each meeting for your ideas and suggestions. We want you to be heard.

Ann Rennie and Nancy Skelly has generously volunteered to head a committee to express our concern for each and everyone of you. I hope you will use this as a stepping stone to reach out to all members and not just the ones you personally know.

I as a member I would personally like to meet and help support everyone. The members who no longer have a way to get to meetings each month is one of my goals I would like to fix. If you know of someone that is in this position, please inform me or someone on our board so we can find a member that lives close that would be willing to give that person a ride. I know it sounds unimportant to some, but what if you were in that

position. Please don't hesitate to call or write me. My door is always open and I am looking forward to hearing from each and everyone of you.

Sincerely yours, Suzanne

August Programs

Day Chapter - Karel Owens from St. Charles will be sharing much information and MANY quilts. Karel has over 30 years of experience as a quilter and teacher and served 12 years with the Silver Dollar City craft guild. She will have some items from her store to sell. Check out her whole cloth quilt at this web site:

Starlight Piecemakers - We will be dividing our August meeting into two segments. The first half will feature Karen Guthrie from the Marshall guild. She will be presenting her wall hanging, "Native Spirit of America". Her brother Michael Marsh will also attend and display the raffle quilt from the Patchwork Quilt guild in Marshall. Tickets will be sold before and after the meeting. The Marshall Quilt Show is Saturday September 30th 9am -5pm and Sunday October 1st 10am-5pm at Salt Fork YMCA, Marshall MO.

The second half of our meeting will be completing projects for the boutique. Please bring any unfinished boutique projects and the materials needed to complete them to this meeting. We are asking you evening ladies to bring a general hand sewing kit to help complete these items and help the boutique. Jan, Janice and Suzanne will have items for us to work on.

Suzanne will be doing a mini-workshop at 6:30 pm to show how to machine piece the Booneslick Star. Ladies this is your last chance to learn how to put it together, so, if you have any questions please come early and bring your questions/problems.

Day Chapter

It was nice to have a surprise switch upstairs for the comfortable seats, but it made it more difficult for the new committees to learn their new roles. The old staffers came through and help them learn their duties. Thank you. New news from the chapter meeting that you might have missed because you were on vacation or had other pressing duties: Mindy Smith said the Quilt Show will happen! And plans are going forward quite well. Check out the new challenge information. Mindy is also giving a purse workshop. Kay Grebing announced Nancy Odom is coming. Check the newsletter for details.

Our raffle quilt is luscious!! Thanks to Rose Heim for the wonderful design and everyone that appliquéd, pieced, and quilted. We'll be looking forward to getting those tickets! Service Project committee is looking for some patterns that we can use for children's quilts.

Susan Forrest gave an interesting insight of the artistic principles we use in quilting especially in creating landscapes. I am going to look for the "S" of light and the triangle of color in my own quilts. Let's face it I'll ask for help, but I do want that balance of light and punch of color. Don't you? Thank you Susan. There were plenty of ideas for us to mull over. The patriotic quilts, bowls, and wall hangings were fun to see. Many said this was one of their early quilts. Fun to see what we are doing now too at our show and tell.

Our August meeting will be downstairs in the multipurpose room. Ann Rennie will be demonstrating hand sewing our Booneslick Star during Sit and Sew from 12 to 1. We'll have lots of quilts to cover those green walls, but how about bringing a "summer" quilt to show?

Our special guest for September is Martha Heimbaugh. She will be telling her quilt story. She has really stretched in a lot of interesting areas. Sally will have a display sample of her latest painting explorations. Her workshop sounds fun.

See you in August at the Chapter Meetings and at the Cornett Collection Show!

Nancy

Starlight Piecemakers Chapter

I would like to give a big thanks to Kim Diehl for the wonderful program and workshops. I hope all that attended the lecture enjoyed the many quilts she brought to share. Did you like having the quilts elevated for display? We are planning on trying this technique throughout the year to give more people the opportunity to view the quilts. Please let me know what you think. I would like to thank Pam Oliver from Miss Millie's for inviting us to have our booking signing at her store. Everyone who attended had a good time. The atmosphere was relaxing and it gave members the opportunity to visit with Kim again and ask questions. I also need to thank Jan Oehle - without her assistance in picking up Kim Diehl from the airport we very well may not have had a lecture at all.

Please remember to bring a general hand sewing kit to the August meeting. The boutique really needs our help in completing items. Suzanne assures me that what is needed is to only finish seams and completion of minor hand stitched items.

I want to thank Bettina for putting on an impromptu workshop at the July meeting on hand piecing the Booneslick Star block.

I hope you're having a great summer and I look forward to seeing you in August....

Patti

Special Invitation:

When: August 15, 2006

2:00 pm or 3:30 pm (two sessions)

Where: UMC

Dr. Laurel E. Wilson has invited members and guests of the guild to see the quilts from the UMC Cornett collection. There will be two sessions so that there is room for all. Meet in Gwynn Lounge and Gwynn 101. Gwynn is located right behind Memorial Union on the right side beside Stanley Hall. Park in the University Avenue Parking Garage. This would be a good time to car pool. What an opportunity!

Martha Heimbaugh Lecture and Workshop

Special Day Chapter guest for September 11th and 12th will be Martha Heimbaugh. She will present a slide show on "A Little Bit of Everything". Through slides and samples, Martha chronicles her growth from seamstress to quilter to artist. A rarely shown 84' x 64" white trapunto project will be shown, along with other interesting quilts and artworks. Martha will have patterns, painted and marbled fat quarter available for sale. Please stop by the table and visit with her before the meeting.

Her workshop on the 12th "Exploring Fabric Painting!" will give us an opportunity to learn some of her painting techniques that we can incorporate in our quilting. Please see our story board that shows her work and samples for the workshop.

Martha is a past recipient of the Kansas Arts Commission Mini-Fellowship Award. Her work hangs in many private collections throughout the Midwest, California, and Japan and is featured in Corporate Educational, and Museum collections in Kansas City, Missouri, and Lawrence and Manhattan, Kansas.

Please check out Martha's web site to read more about her and see some of her work.
www.planetkc.com/heimbaugh

We want to express our special thanks to Bonnie Youngquist for providing us with a space to hold the workshop.

NOTE: We are also needing 2 large quilt racks for our September 11th meeting. One for a large king size quilt so that you can see both sides of the quilt. If you have one we can use, please let Sally Johnson know.

2005-2006 Financial Audit

On June 28 Kathy Ennis and Sandy Moritz audited the guild's financial records. Everything was found to be in order. Our thanks go to Kathy and Sandy for their help and to Jan Oehrle, our 2005-06 treasurer, for her diligence in keeping accurate records.

Your BTQG Library in the Upcoming Year

During the last Guild year I have been reviewing our book directory listing which books we currently have in the Guild library. I am also reviewing the history of how often each book has been used. Some of these books have not been used for many years and are out of print. They would be difficult to replace. Some of the books are also quite old and becoming fragile. I plan to remove these few books to a separate area where they will still be accessible to our members, but not kept in the regular book cabinets where they might become damaged.

A limited amount of money was set aside during the recent meeting of the budget committee to begin to enhance the library facilities. This money will be used to begin to replace our book cabinets which are not adequate. If anyone would like to serve on a committee to help with decisions and movement of books, please let me know either by email or telephone. I am in the membership directory.

Please, when you are wanting to know more about a particular quilting subject first check our guild library before you go out and spend money to buy your own book or borrow it from somewhere else. Also if you know of a book you think would make a good addition to our library, let me know and I will try to add it.

Joan Westcott, Librarian

Documenting Quilts: 3 hours, Saturday, September 9, 2006

A seminar format workshop to introduce students to documentation of quilts, old and new. We will cover basic information used to help date antique and vintage quilts. A bibliography will be included. Students will do hands on documentation of quilts by learning to complete a documentation form. In the process we will try to dispel some common myths and folk lore. Students are invited to bring one antique quilt for documentation. We will NOT be evaluating or appraising quilts. There will be a \$10.00 fee for the class and the registration form is in the August newsletter. The workshop will be held at Trinity Presbyterian Church from 9:00 a.m. - Noon.

2006 BTQG QUILT SHOW “A TRAIL OF STARS “

Just a few more notes for the quilt show.....

Silent Auction – If you intend to place something in the silent auction, please give Sally Johnson a call or send her an email and let her know (and include the measurements of your piece/quilt). She would like to have an idea of how many pieces to expect and their size to help plan for spacing.

Props – A note from Patti: Props and decorations are in demand! We want to convert the Expo center from a large cold room to a home atmosphere to accentuate the quilts at our fall quilt show. We need your help to do this. As you walk around your home think about what makes it special and...can I borrow it?

Lots of items are needed, including room dividers, furniture and accessories. As you prepare to bring in your yard ornaments in the fall think could they be used in the show? There are several sections to decorate including the children's quilts, the challenge quilts, bed quilts and art quilts. The list goes on and on.

I am open for suggestions so if you have an idea about decorating please let me know. If you would like to assist with this project I'm taking volunteers. We need someone with access to a truck or trailer to pick up furniture and return it after the show. Please let me know if you are that special person or have a hubby that can be that special. The Prop Lady.....Patti Cantu

Entry Forms – We will begin publishing the entry form with the September newsletter and it will also be posted on the website.

Boutique – Shopping Purse Class— These are the little purses we have been passing around during the meeting in July. At your suggestion, we have scheduled a class on Saturday, August 26, 9 a.m.-5 p.m., Public Library Friendship Room. I have just a few spaces left, so if you are interested in attending a really fun class for free, let me know. You will need to buy a pattern (I will have those available for you—they are approximately \$8) and we are asking that you make an extra purse for the boutique. They make wonderful gifts. Just call me or send me an email and let me know you want to sign up.....I will email (or mail) you a supply list. (*Don't forget—I will bring chocolate!*)

Challenge – We are including the Challenge rules again this month. Contact Donna Baker or Becky Covington if you have questions.

1. The overall size of your finished challenge piece must be a minimum of 9 inches square.
2. There is no limit to the maximum overall size of the finished piece.
3. The challenge piece may be made of at least one Booneslick star; however, there is no limit to the maximum number of Booneslick stars you may use.
4. The Booneslick star(s) may be anywhere within the piece and each star can be any size you choose.
5. There is no limit on color.
6. Any and all embellishments are OK – beads, buttons, feathers, thread painting, paper piecing, painting, any technique.
7. Be creative.
8. You may enter as many times as you wish.
9. Must put a 4 inch sleeve on the back at the top.
10. Must include a label.

Keep up the good work and thanks so much for all you are doing.....it's going to be another great BTQG quilt show!!

Let's Get Acquainted- Friendship Block Winners

NAME: RaVae Ford

CHAPTER: Starlight Piecemakers

MONTH: July

Background and Family Information: I joined BTQG about twenty some years ago when I moved to Columbia. I had taken a few classes but not in a group. I've truly enjoyed BTQG and the guild has been good to me. I've enjoyed friendships, retreats, projects, and have been on several committees. I'm not married, nor do I have children. I have one sister and brother with several nieces and nephews and great nieces and nephews. My family is close and have several family functions a year, even though we are spread over the USA.

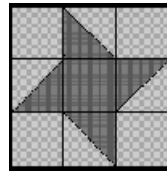

How did you get interested in quilting: My mother quilted, mostly utility quilts for home use. She also did long arm quilting in the 70's. She loved seeing the new changes in long arm quilting and I'm sure if there had been computer long arm quilting then, she would have had one. I took quilt classes after I left home. Later teaching my mother quicker, better ways to sew blocks.

Tell about your favorite project: I'm in a Row by Row group, that has expanded beyond the row by row theme. This group has been very rewarding in friendship, learning new skills and creativity.

What are some of your other interests: I love to entertain, learning new cooking skills and recipes and this year, trying to garden. I love to travel and have great stories and travel experiences.

Choice of a Friendship Block: I haven't made a decision on my block, but will make it for all levels of skill. I do have several projects in closet that I want to get done. I'm sure one will work for this friendship block.

Thank you for your time and skill.

Introducing the "New" Friendship Star Committee

The new board has added a new committee to our guild. This is a "messenger" committee that is a long time coming to our wonderful and creative group. In order to create a more kindred spirit, we are "re-introducing" the Friendship Star block. Many years ago, some guild members decided upon an idea of sending a 6" Friendship Star block to members to express encouragement. Over the years the guild has grown and schedules became too busy. This makes our commitment an even bigger impact on our members!

There are too many times that our friends have been under the weather, lost a love one, in the hospital or just need our best wishes. We need to let our friends know that we are thinking of them. Our emphasis is not an invasion of privacy but rather that we want to make sure that our friends to know that we care. Again, we will only do this with permission. Please know that we will respect each person's wishes. This is all about kindness, support and encouragement!

Sometimes just a thoughtful gesture can help brighten a stormy day. Our friends are the best part of our guild! We all have times when we need to know that we are not alone. This small token is very simple... just friendship.

Our intentions are to help our members to provide a "thinking of you" act of kindness. Ann Rennie (ann@rennier.net or 573.657.5224) and Nancy Skelly have volunteered to chair this committee and both will be your point of contact. If you have knowledge about a guild member who needs a thoughtful bit of comfort and have the consent of that person, please contact Ann or Nancy. They will in turn, start the ball rolling to get blocks made.

All guild members can help by being available to make blocks now. If you would like to contribute to the start up bank of blocks, please contact Ann or Nancy. This is strictly volunteer, no requirement for anyone. If you are interested in making a contribution now, you can use a tone on tone off white background with a blue print for the star. Sign your name on the back (on the seam allowance) using a pigma pen or thin sharpie pen. There will be a drop off box available at each of the guild meetings.

There are several methods that can be used to make this wonderful quilt block. Hand pieced, machine pieced or paper pieced are all accepted. These patterns will be available on our guild website <http://btqg.missouri.org/> or at our monthly guild meetings.

If you have any questions... you know who to contact right?

Service Project Quilts

Our Rainbow House service project is off to a good start this year. We received nine quilts at the July meetings! Thanks to all!

We still have kits made up and we still have quite a bit of fabric. However, the fabric is mostly neutrals and small prints, so bright colorful fabric donations would be appreciated.

There will be an organizational meeting for all interested at 12:00 noon on August 7, so bring your lunch and ideas. Barbara collected 108 quilts last year – is that a goal?!

Remember to renew your BTQG membership. To be included in the membership directory we must have your form no later than August 15th. Please note that dues have increased to \$30 for the 2006-2007 year.
