From the CEO...

Happy New Year to all!

Yes "the holidays" are finally over and we have started 2008 with resolutions to lose weight, exercise more and most important to finish some of those quilts! I have so many UFO's and yet I can always find a new project that I just have to try, not to mention that new fabric collection that calls my name every time I enter the quilt shop! So, my resolution is to finish (and I mean finish) at least three projects this year. How about your resolutions? Think we can keep them and get rid of some of those UFO's?

The guild promises to bring lots of great events in 2008. Lets start with the Patricia Pepe X-Block workshop in February, then the much anticipated Rickman Center Retreat. The following months have great programs planned for the guild meetings and in October our fall workshop will feature the "Strips and Curves" by Louisa Smith. The year will end with our bi-annual quilt show in November. This is a wonderful event and we need lots of participation from all the guild members to make it work. How about using some of that fabric or finishing some of those UFO's to donate to the silent auction or Marketplace.

So will you join me in helping the guild celebrate it's 30th anniversary year and make 2008 a special year for yourself as well as the guild. Best wishes for a happy, healthy and "quilty" new year. See you at the guild meetings.

Kay

FEBRUARY MEETING DATES:

Day Chapter: 2/4/08—1:00 P.M.

Starlight Chapter: 2/7/08—7:00 p.m.

February Programs . . .

Day Chapter—

The Guild Service Project will be our focus at the February Day Chapter Meeting. We will open the doors at 9:00 a.m. so get those sewing machines ready.

We will be doing something new along with our regular quilt projects. Our new project will be walker bags that we plan to distribute to nursing homes. We will bring the fabric, pellon for the lining and the Velcro tape. You will need to bring sewing machines, regular sewing supplies, cutting mats and rotary cutters and thread in an array of colors that can be used to quilt the cover and lining. You will also need electrical cords and power strips since there are only a few plugs in the room. We will have a pattern for you to use on the walker bags and kits made up for the quilts.

We will also have our soup luncheon on at this meeting so if you plan to bring a pot of soup, please let Sandy Moritz know what kind so there aren't too many duplicates. Her phone is 442-3777 and email is ritzigr1@yahoo.com.

Starlight Chapter -

The program for the February 7th Starlight Piecemakers Chapter will be a 7 p.m. lecture by Patricia Pepe entitled "Tales From the Light Side." Patricia is an award-winning fiber artist and quilter best known for her intricately-pieced and appliqué quilts which use many fabrics to create subtle but exciting contrast. She will be bringing "her most widely recognized quilt, 'Into His Light'." At the conclusion of her lecture there will be a reception.

A workshop by Patricia Pepe will take place on Friday, Feb. 8th at Trinity Presbyterian Church. It will be from 9 a.m. to 4 p.m. She will be teaching the "new quilting adventure of X-blocks." It is perfect for beginners and experienced quilters. There are still openings for this workshop, the cost is \$40 and lunch is optional at \$8, or brown bag your own lunch. An enrollment form can be found in the January newsletter or contact Boo! Kula at 449-0346, 2411 Bear Creek Dr., Columbia. 65202.

Sue Tournquist had been scheduled for a program and workshop in May. With regret she has written that she will not be able to be here.

From the Presidents...

Day Chapter

February is our actual anniversary month. We are 30 years old. That's something to celebrate!

We have planned several ways to celebrate throughout the year. The Day Chapter will kick off the anniversary with a well-deserved delicious birthday cake.

February's meeting is also the one meeting we set aside each year to focus on our ongoing service projects. The church will be open at 9 a.m. Come early and stay late. Our service projects committee has information elsewhere in the newsletter. Please read it and plan to come and spend the day doing good work. For the work that day we will need stitchers, cutters, ironers, and helpers of all kinds.

A soup lunch will be served. One soup selection will be Ham and Bean but others are needed. If you would like to provide a crock-pot of soup please call Sandi Moritz. Another 4-6 crock-pots of soup would fill the bill.

If you are not bringing soup then please bring bread, "finger foods" like cheese, crackers, celery and carrot sticks, or cookies or snacks to help keep our energy up.

On another note, take a break from the work and check out our great library. We have more than 1000 books, some how-to, some reference, some quilt history, and some videos and DVDs. Very few guilds own and maintain such a large collection. There is a comprehensive list by title and by author. I challenge every guild member to find a book to check out; there is something of interest to everyone. Bettina

The Quilt History Interest Group will have an organizational meeting at the Daniel Boone (Columbia) library, Thursday, Feb. 14, at 1:00 p.m. We had a strong response to starting this interest group. If you are interested but cannot attend this organizational meeting please let me know. Bettina

Don't Forget—Arrival time for the February retreat at the Rickman Conference Center is **no earlier** than **noon** this year.

Starlight Piecemakers Chapter

I want to thank everyone who helped with the round robin meeting last month, even the ones we drafted when they got there that evening. There are many of our members who are new to the wonderful world of quilting and don't know some things us old timers take for granted. Since our focus as a guild is education, I hope next time that we can recruit some of our other experts so share their skills and knowledge.

I'm glad the holidays are over - I am still trying to recover after quilting a bunch of stuff for other people. One of these days I want a project where I can play with fabric just to play and try something new - not for someone else - just for me! Something wild and crazy. I keep thinking of all the quilts hiding in the stashes waiting to get out. We just don't have enough time!

We have a chance to do something new in February - Patricia Pepe is coming to Columbia all the way from California. Her web site is www.patriciapepe.com. There is also a workshop. Check the January newsletter for registration information and sign up for some fun! carol

Next Quilt Show Committee Meeting:

Sunday, March 9, 2008, 1:30 p.m., Daniel Boone Library, Conference Room C.

The Starlight Hospitality Committee is Counting on You for Cookie Donations This Month.

The Starlight Chapter program this month will be presented by Patricia Pepe and a reception will be hosted in her honor at the Thursday evening meeting. Anne Lewis and Priscilla Strube, your hospitality hostesses, need your help in making the event a success. Anne and Priscilla will provide the punch and a pretty table and they are asking you to bring your delicious home baked cookies and help give Patricia a taste of yummy Missouri hospitality. Anne and Priscilla thank you in advance for your help.

NEWS FLASH!!!

BTQG will host another garage sale in the spring so while you are doing your spring cleaning, save items for this very popular event. Jackie Berry has agreed to organize the event again this year. More details will be announced at meetings and in the newsletter as the event draws closer.

Boone County Historical Society Exhibit

It's time to begin seriously thinking about our exhibition at the Boone County Historical Society. We are interested in Boone County quilts, Missouri quilts, and/or family quilts. If you own a quilt that you would like to share and want to have considered for the exhibition please send or give Bettina Havig a photo or slide, print or electronically, plus any information known about the quilt. In particular, we need the maker, date or approximate date (as you know it), where it was made, and pattern or family name for the quilt pattern. More information may be needed when the selections have been made. A committee will make the selections by May 1. Approximately 30-35 quilts will be hung. You must be willing to lend the quilt for the duration of the exhibit. The museum staff will install the exhibit May 12-14 and strike the exhibit at the end of June. You will be asked to sign a loan agreement.

Charm Group News!

The charm group is looking for some new members. If anyone is interested, contact Kay Shoner or Sandy Moritz. We meet at 9:30 on the third Tuesday of the month.

BTQG—30 Years Ago . . .

The first meeting of the group actually occurred in February 1978, which means that this month, February, 2008, the guild will be 30 years old. We are not the oldest guild in the state but we are one of the first.

Only a few charter members are still members and even fewer have never let their membership lapse.

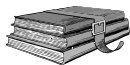

Do you know which of these current members were charter members, that is, they attended the first meeting to organize the guild: Bettina Havig, Barbara Rogers, Rosalia Meyer, Mavis Mitzel, Shirley Troth, and Bonnie Youngquist?

Officers were chosen more than elected at that meeting. The first elected slate of officers came in September 1978. By the end of the first year there were 32 members. In the spring of 1979 this brave little force made a commitment to host a national symposium in 1980 on the Stephens College campus.

LIBRARY NEWS

Well as usual we have a couple of new books to add to the library this month and yes they were once again funded by your purchase of quilting magazines donated by quilt guild members. First, a BIG thanks to those who have donated and continue to do so.

The first book, entitled Paper-Pieced Mini Quilts by Wendy Vosters, is one for the very, very patient quilters. I know after seeing the mini-quilt program several months ago that there are several that might be interested in this book.

The second book, entitled Mastering the Art of McTavishing by Karen McTavish, gives a brief history of how McTavishing came to be. Karen is the creator of this unique way of quilting. She calls it her fingerprint, her style of background filler.

The third and final book is entitled The Quilt-A History and Celebration of an American Art Form. After our last guild meeting I know there are several of you that will want to check this one out. It contains 335 pages of quilting history. Wonder who will be the first one to check it out?

TIPS, TOOLS & TRICKS

BY Janice Haralson

Check out the Jan/Feb/2008 issue of "Fons and Porter's Love of Quilting" magazine at page 119 for information on www.QNNtv.com. For \$19.00/year or \$29.00/2 years you can have your own library of quilt videos at your fingertips. On your computer, you can watch what you like, when you like and as often as you like. At present they have a collection of over 1,000 programs.

The tool I want to preview this month is the **Zip Clip** binding tool by Martelli. This is a spring loaded tool with which you can attach clips which hold your binding tight while you are attaching it. The clips are easy to use, re-insertable into the tool and reusable time after time. The tool comes with eight clips and you can purchase additional clips if needed. This is a great little tool and Miss Millie's Quilt Shop has them for sale for \$9.95 plus tax. If you want further information, go to Martelli.com.

Day Chapter Friendship Block Winner

Carol Jean Tummons was the Day Chapter Friendship Block winner for the month of January. Carol plans to use the friendship star as a signature block and she will provide the fabric.

Congratulations Carol! We will all be waiting on pins and needles to see your friendship star quilt when you have it completed!

What is MOKA?

MOKA is the Missouri, Oklahoma, Kansas, and Arkansas regional quilt study group. You don't have to join, there are no dues. You can attend any of the gatherings that interest you. There is usually a small fee to cover room rental and lunch. It meets three times each year, rotating to the four states.

The Next Meeting is:

When: March 7 & 8, 2008

Where: Peel Mansion Museum, 400 South Walton, Bentonville, Arkansas

For reservations & further information e-mail Olivia Drake: aadrake@cox.net or call 479-855-4560.

BTQG History—More Tidbits

Over the years, it has been especially nice for BTQG to have important national speakers present lectures or workshops. The quilt world recently lost a very important researcher and historian, Cuesta Benberry. In 1980 for the Show-me symposium we were privileged to have Cuesta Benberry on the program. It was the first time Cuesta had agreed to travel and speak. We owed the coup to our late charter member Carol Crabb. They had been corresponding for years and Carol was able to convince Cuesta to come. Cuesta spoke to our guild at least twice more.

Speaking of important national speakers, do you know which of these national speakers has **never** been to BTQG: Jinny Beyer, Doreen Speckmann, Sharyn Craig, Nancy Crow, Barbara Brackman, Terry Thompson, Jeanna Kimball, Gwen Marsten, Elly Sienkiewicz, Marsha McCloskey, Judy Martin, Marti Michell, Liz Porter, or Marianne Fons? *

*The answer is hidden somewhere in this newsletter!

BTQG Equipment Usage:

Just a reminder of guild policy regarding use of guild owned equipment. All guild equipment is only for use at guild activities. The equipment shall not be loaned for use by individual members. When using guild equipment all care should be taken to make proper use of the equipment. Any functional problems should be reported to the guild CEO or chapter president. Please do not make any repairs, improvise makeshift repairs, do not oil, lubricate or tape any equipment. Please replace equipment carefully and in the proper place. If any equipment is missing or in need of repair report that to the CEO or chapter president. Thank you.

Marketplace News

For February, we are looking for kits for wall hangings, pin cushions, pillows or anything else that you might have around your house. I know everyone has bought some kind of kit a while ago that hasn't been put together yet. I found two at my house without looking too far. You may put your kit together (preferred) or just donate the kit.

We also need painters so if you have any painting talent, we need your help. One project will be painted clay pots which can be used for candy dishes or fancy flower pots. I will have samples at the meetings. If you can't paint, please bring some small or medium sized clay pots for others to decorate. The other painting project will be snowmen made from fence posts, painted white with a painted snowman face. After painting, we will need little hats and scarves, knitted or fleece or made from Christmas fabric.

At the next meeting we will showcase the machine covers we made at the January workday.

Our progress so far:

Scrap bags: goal 30, received 8

Christmas Stockings: goal 40, received 14

Kitchen Towels: goal 50, received 18

Pot Holders: goal 75, received 49.

We have received other items but are not keeping count unless it is part of a specific project we have started. Please collect quilting magazines, extra sewing tools or anything else you think might be of use. Please bring us these items so we know what will be available for future projects.

Thanks to everyone who has helped our committee. Carrol Lewis

Introducing Terri Crane - January Starlight Friendship Block Winner

"I moved to Columbia from northern California six years ago to be near my family. My daughter, Christine, lives in Columbia and my son, Mike, and grandson, Alex, are close by in Osage Beach. I work for an insurance company here in town and hope to retire soon. I made my first quilt in 1988 using six-inch squares (not blocks) - no pattern, no rotary cutter, no cutting mat, no design, no clue. I took the top to Stover Quilting to be quilted and didn't attempt another quilt until 1991 when my twin grandchildren were born. I took the leftover squares from the first quilt and cut them into small triangles, making two less-than-crib-size quilts - same M.O. as the first quilt. I bought my first pattern book in 1992, "Little Folks' Quilts from Big Folks' Patterns." I spent the next ten years making one or two baby quilts a year using patterns from that one book. I was a slow starter, but once I discovered fabrics and quilt clubs right here in Columbia, I haven't stopped "tooling" up". My recent projects include the Warmest Wishes Christmas appliquéd quilt classes at Appletree, Grandmother's Delight from a class at Circle of Friends in Osage Beach, and a simple batik kit and pattern I bought in Rochester, Minnesota, two years ago. My favorite project is whatever one I'm working on at the moment. When I'm not quilting, I love to travel. I enjoy reading a good mystery and baking cookies. I have not made a final decision on a block for my Friendship Quilt. I found one the other day, an early Kansas City Star pattern called "Contrary Husband." I thought that might be appropriate since I've had a few of those in my life. We'll see."

BOONESLICK TRAIL QUILTERS' GUILD 2008 Quilt Show "Creating History One Stitch at a Time"

The quilt show committee had their third meeting on Sunday, January 13. The following is a report of decisions that have been made to date:

All quilts submitted for the show must have a sleeve. If you don't wish to attach your own sleeve, we will have a group of members who will do that for you at a cost of \$10 per quilt. You may select a temporary or permanent sleeve. Anyone interested in helping us attach sleeves, please let me know (cell-573-864-3936 or bymindy@hotmail.com).

We will not include a challenge or a viewers' choice this year.

Advertising—In addition to all the advertising we have done for the past shows, with the help of some of our creative members, we plan to have a more extensive advertising plan in place by March. I will give you an update of those plans later.

The vendor invitations have gone out and reservations are beginning to come back in.

The 30's group is feverishly working on the raffle quilt and expect to have it done soon.

The Marketplace Committee is doing a great job working with you to get items accumulated for the show. Look around your sewing room for patterns, fabric, tools, thread, magazines, etc., that you can donate to Committee and let Carrol Lewis know. If you are learning a new technique, make something extra for The Marketplace.

That's it for now, Chicks.....more coming.....Mindy

NEWS FROM THE EXECUTIVE BOARD

During October, 2008, the BTQG members are being asked to provide Bed and Breakfast to several United Kingdom ladies who will be in the US and Columbia area on tour. A motion was passed agreeing to assist in hosting these ladies while they are in our area.

The second copies of the AQS UNCOVERINGS for 2006 and 2007 have been available for sale to our Guild members. However, no one has expressed an interest in purchasing either of these books. Approval was given to donate both of these books to the Columbia Public Library.

It was moved and passed to set the consignment figures for the Marketplace at the 2008 quilt Show at 70/30 (70% returned to the person creating the item and 30% to the BTQG).

The Boone County National Bank has started charging the Guild \$10.00 per month service charge against the Guild money market account because the account balance is below \$1,000. A motion was approved "to avoid the imposition of a service charge each month on the Guild money market account, the Treasurer should move interest from the CD that is maturing in February, 2008, plus whatever is necessary to increase the total in the money market account total to \$1,000 from the checking account.

The three big lies in life:

I will respect you in the morning.
The check is in the mail.
I'm your auditor, I'm here to help you.

Sad News!

Former BTQG member Bonnie Jacoby passed away Thursday December 13th at the Loma Linda nursing home in Moberly. Bonnie had been a resident at Loma Linda for two years. She will be missed by all her friends and fellow-quilters.
