### Trunk Show by Connie Gresham

We have a treat for the eyes **September 10** at Day Chapter. Connie Gresham will give us a trunk show featuring her amazing long arm work. We owe a great deal of thanks to Connie for our Sept. 10 program and for all her work on the guild's opportunity quilt.

Wear your thinking caps Sept. 10. I'm going to give everyone an I.Q. test. You'll need pen and paper. (The back of an envelope will do.) If you all want to grade your own test, feel free to bribe the examiner. In addition to chocolate, I like pimento cheese and deviled eggs.

Speaking of food, which I so often do, wasn't that a nice luncheon last month? The food you all brought was top-notch. Margaret Heller and Laura Eggeman certainly took good care of us. Hospitality has so many behind the scenes responsibilities. We believe in leaving the church kitchen cleaner than we find it.

Connie Howard and Irmgard Marsh did a fabulous job organizing our service project workday. The day went so smoothly. We appreciate both of you taking off work that day to lead us.

Day Chapter has some changes since our August meeting. Ann Rennie and Connie Gresham had to resign as co-vice presidents because of health issues in their families. I thank Ann and Connie for their willingness to serve and hope their family members are strong and healthy soon.

I appointed Laura Eggeman vice president. She is busy getting our programs scheduled with the help of other board members. I appointed Hank Botts to replace Laura as hospitality co-chair. Margaret and Hank are already making plans for our Christmas luncheon. By the way, be thinking about items for the silent and live auctions in December. Thank you Laura and Hank for taking on these responsibilities.

Be sure to note on your calendar that Day Chapter will meet the **second Monday of September**. There will be **no** regularly scheduled Day Chapter Executive Board meeting in September.

Thanks for your support (and bribes!).

See you all **Sept. 10**.

Carol Jean

### An Unexpected Delight with Design Candy Hargrove

After becoming addicted to counted cross stitch in the early 1980's, Candy took her first quilting class in the late 80's. However, like many of us her quilt making was put on hold until 1998.

Candy avoided the intricacies of appliqué because it just look like something she didn't want to do it. A very talented hand appliqué teacher inspired her to try her hand at it. Now hand appliqué is one of her favorite techniques.

Candy retired from her human resources job at General Motors at the beginning of 2007 with the intention of making all the quilts she had wanted to make for a long time but didn't have the time. It seemed like a great idea but a request from a friend was to alter her quilting life.

Julie Kiffin, Candy's good friend, hooked her up with Jo Morton who was seeking someone to design and make Jo's free-to-use patterns for Andover Fabrics. Since her retirement she has designed and made over 20 quilts for the Andover website beginning with Jo's Lucinda lines. Jo also published two of Candy's designs in her book "Vintage Journey".

In 2008, Candy accomplished a quilting goal she had set for herself when one of her quilts (not her design) was accepted at Paducah. Never one without a goal, she is combining her talents to have one of her own designs accepted at an AQS show.

Kansas City, Missouri is Candy's home along with her two rescue dogs: Buster, a Bichon mix and Bonnie, a Cavalier King Charles Spaniel.

Yorktown Strippy Sampler workshop taught by Candy is scheduled for September 7th. It is not too late to sign up using the form included in this newsletter.

### August Starlight Exchange Winner—Judi Kirkpatrick

I have chosen to do a 4 patch in which 2 of the patches are made out of strips. It will use 5" squares in fall colors (not Halloween) and a fabric that I will provide. In looking through my quilt items I discovered that I didn't have much for my home for fall. This seems like a good way to start.

My twin granddaughters (turning 14) next month, have expressed a desire to learn to quilt. My birthday present for them is going to be a trip to the fabric store where they can pick out fabric and I will give them quilting lessons for their first quilt. I can hardly wait...what an honor to pass on this tradition. I have 3 sons and while they appreciated the quilts they had no interest in learning. I can still hear them when wondering what was for supper telling each other, "Oh well, Mom's quilting, we'll probably have Judi surprise." That meant I was just going to throw something together from the fridge or cupboard. Despite the lack of a truly balanced meal sometimes, the boys grew up to be understanding sons especially when they or one of their family members received a quilt made with love.

### Cheap Tricks with Bettina Havig

Bettina had one table filled with gadgets and other cheap stuff you might find around your house to make your quilting not only easier but less expensive. Her secret funny quilted companions make her hours quilting a lot of fun. Judi is assisting Bettina with a small ironing board on which 2 straight pins have been placed about 8 inches apart. Using a strip of fabric for decorative appliqué, you can pull the strip of fabric through the pins ironing it as it slides through to make a perfect folded bias or straight strip for immediate use. Bettina has gone Hollywood using a favorite tool to assist with determining the value/intensity of the selected colors/prints of fabric. It is a red film often used by artists to ascertain if their colors used in the paintings have the same value/intensity. That is, one fabric doesn't out shine or overtake another color. You can find the film at a local hobby shop.

Friday, September 7, 9:00 AM to 12:00 PM

Hy-Vee (Upstairs meeting room at west entrance)

This quilt features 9 different blocks: Nine Patch, Railroad Crossing, Card Trick, Sawtooth Star, Friendship Star, Churn Dash, Double Pinwheel, Cake Stand, and King's Crown. All blocks finish at 8-1/2" square.

Shortly after Candy retired a friend hooked her up with Jo Morton to design and make her free-to-use patterns for Andover Fabrics. Candy has designed and made over 20 quilts for the Andover website, starting with Jo's Hattiesburg line. She has also designed and made 2 projects for Fons and Porter magazines using Jo's Lucinda lines. Jo also published two of her designs in her book "Vintage Journey".

• Participants will receive the pattern, have fun, improve piecing accuracy, learn a new technique or discover a new tool and make some traditional quilt blocks.

• Participants need to bring: Sewing machine, 4 coordinating fat quarters—1 dark, 1 medium, 1 light, 1 other, rotary cutting supplies (cutter and mat), pins, 4 or 6" square ruler (for squaring up), coordinating thread, scissors, your favorite gadget or tool (for discussion).
