## BOONESLICK TRAIL QUILTERS' GUILD

# CEO MESSAGE

The reports concerning guild meetings via ZOOM have been favorable. I am not aware of any concerns. Judi Kirkpatrick is knowledgeable and professional with the procedure. Christi Brietzke has spent many hours contacting speakers for both Day

Group and Starlight Group. Having speakers via ZOOM has allowed us to have an opportunity to see people and ideas from a variety of locations.

The Board members are determined to have meetings for which everyone can benefit. Never did I think we would be accessing so much technology for such a traditional craft. As quilts have evolved from traditional blocks to modern designs so is the Booneslick Trail Quilters' Guild. I hope all are enjoying the adventure. — Boo! Kula

## Day Chapter ZOOM Meeting Monday November 2

## Starlight Piecemakers Chapter ZOOM Meeting Thursday — November 5

### A Message from Carrol Lewis, President

I was happy to see we had over 40 participants in our October program. I'm glad there is a way to continue learning in this crazy world we're living in. The plus to Zooming is we are able to broaden our area to get speakers. Over the next few months, we will have speakers from quite a distance. Our November speaker will be the first.

Melissa Marginet comes from Manitoba, Canada. She will be presenting "My Journey as a Quilter". She has 2 books: *Walking Foot Quilt Designs* and *Edge Walking Foot Designs*. She has been published in *McCall's Quilting*, January 2020, *Canadian Quilter*, Summer 2019, *Voyageur Quilter's Connection Magazine*, Fall 2018 and Summer 2018. Melissa has also taught at Quilt Canada CQA/ACC 2018.

She belongs to 2 guilds: Manitoba Prairie Quilters and Winnipeg Modern Quilt Guild. She is creator and webmaster of *Quilt Manitoba*.

More information may be found at <u>https://</u> marginet.weebly.com.

Our ZOOM speaker this month is the magical Misty Cole, all the way from Baltimore, MD. She has been quilting for about 16 years and has become comfortable with both hand and machine quilting, as well as mixing them together. She specializes in hand dyes and applique and has a fine art background. She also has year of experience in education.

Have you heard of her Poison Bottle Quilt?? I know I would love to attend that workshop someday!

Please watch for the ZOOM invitation before the November meeting and I can't wait to see everyone there. More information may be found

What is ZOOM? Do you ZOOM??

ZOOM is a remote conferencing service. In English....we video a meeting (or the speaker joins our video meeting) and you watch on a computer, laptop, iPad, or smart phone from your home.

If you do not know about ZOOM I am willing to try and teach you the basics so you can join a ZOOM quilt meeting with BTQG.

To use ZOOM you will need one of the following:

- Computer. Windows or Apple computer with speakers and a microphone. (Note: Webcams are recommended but not required.)
- Mobile Device. iOS or Android.

Phone. Mobile device, desk, or landline.

You will need an internet connection (or go somewhere you can use one) .

I am not an expert but will try to help you join the fun. Both November chapter meetings and programs will be via ZOOM. If you are interested call Judi Kirkpatrick (660-734-0358) and I will schedule a time to work thru what you will need and how to join a ZOOM meeting.

If you would like a private practice session on ZOOM, I would be happy to help you. Call me (660-734-0358).

Don't wait till the last minute please, let's start asap. — Judi Kirkpatrick

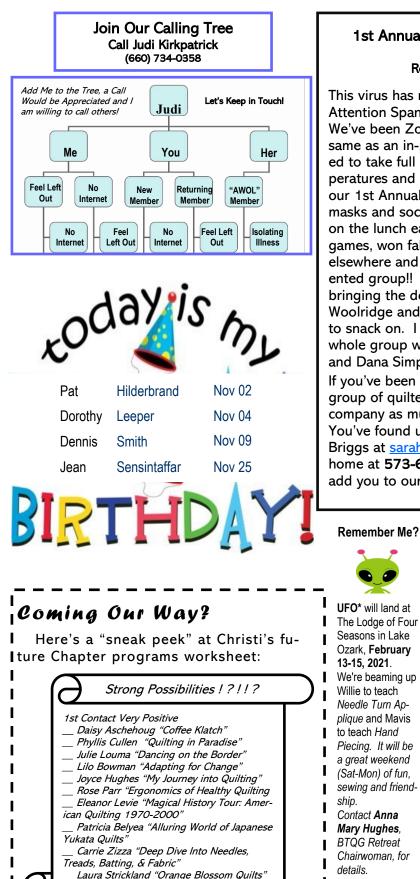

BEHIND THE SCENES . . .

# Coming ZOOM

Programs via ZOOM will be at our Chapter Meetings thru Spring on the Internet (only) or at the Church plus the Internet, depending on the Town COVID-19 restrictions on meetings. Who is finding these ZOOM programs for us? Christi Brietzke, Day Chapter Program Chair.

Christi was surprised with the task of with finding programs for both Chapters when a Program Chair for the Starlight Chapter could not be recruited. Normally, a Chapter Program Chair schedules and executes contracts with one Speaker a month for their Chapter, October thru the following September. Several Board Members pitched in to mentor Christi, among them were recent Program Chairs Judi Kirkpatrick, Carrol Lewis, and Willie Morris.

And THEN, BTQG decided to try ZOOM programs! Christi has bravely scaled a very steep learning curve and generously assumed the tasks of two people to search nationwide to identify, schedule and contract with Speakers to provide their programs via ZOOM to us. She has scheduled programs thru March for both Chapters (10 Speakers), is contracting with and finding more quickly towards completing the Guild program schedule thru September,

#### 1st Annual SASH Halloween Party Held

#### Reported by Sarah Briggs

This virus has made a mess of our SASH (Short Attention Span Holiday) Interest Group meetings. We've been Zooming but that's just not the same as an in-person gathering. Well, we decided to take full advantage of the warm fall temperatures and gather outside in Parkade Park for our 1st Annual Halloween Party! We wore our masks and social distanced as we chowed down on the lunch each person brought, played games, won fabulous prizes that you can't win elsewhere and did a Show and Tell. What a talented group!! Special thanks to Linda Karns for bringing the decorations, and Lynn Hill, Marilyn Woolridge and Linda Karns for bringing goodies to snack on. I can't tell you how delighted the whole group was to see both Corinne Remeika and Dana Simpson!! We've missed you guys!! If you've been looking for a fun and laid back group of quilters . . . That enjoy each other's company as much as guilting ..... You've found us. Please contact me, Sarah Briggs at sarahbriggs709@gmail.com or call my home at 573-634-2162 and we'd be happy to add you to our merry band!
