Quilt Show Layout

Thank You and Acknowledgments

This quilt show would not be possible if not for all the wonderful guild members who agreed to chair specific quilt show committees. They worked tirelessly for many hours, and their expertise and willingness to assist is to be commended. They are my superheroes.

Our humble thanks to Community United Methodist Church for use of their beautiful facility and, in particular, Carla Hunter for her friendly demeanor and ease of communication.

And, I would like to thank all the guild members who displayed their quilts, made marketplace items, and/or volunteered their time for the 2026 quilt show. Without their support and guidance, the Freedom of Expression quilt show would not be the success it is.

Martha Eberhard, 2026 Quilt Show Chair

About Our Guild

The purpose of the Booneslick Trail Quilters' Guild is to promote fellowship among persons interested in all aspects of quilt making; to preserve our quilt making heritage and traditions: to promote an appreciation of fine design and workmanship; to encourage quilt making and collecting; to participate in quilt-related projects that are of service to the community; and to contribute to the knowledge of quilt making techniques, textiles, patterns and quilt makers through education.

Two guild chapters and multiple interest groups for one low price!

Day Chapter: 1st Monday of every month at 1 pm

Starlight Piecemakers: 1st Thursday of every month at 7 pm

Chapter meetings are held at
Fairview United Methodist Church
3200 Chapel Hill Road, Columbia, MO

Interest Groups meet throughout the month at various locations.

Membership dues are $35 annually

You may attend 2 meetings prior to joining

Service to the Community

As part of our mission, guild members construct and donate quilts locally. This past year, we donated 12 twin bed quilts to Sleep in Heavenly Peace, which provides twin beds with bedding to local children who do not have beds. We also provided 12 lap quilts for the use of patients receiving treatment at the Ellis Fischel Infusion Unit.

Vote for the 2026 Viewers' Choice Quilts

While our guild would have great trouble choosing a favorite, we welcome you telling us what is most admired by you. There is no prize associated with this; it is just the joy of having hard work appreciated. We hang our previous show Viewer's Choice Quilt at the next biennial quilt show.

Please complete a ballot and leave your vote at the front table for one in each of the following categories:

- Small quilt - 36" or less (turquoise gallery card)
- Large quilt - Larger than 36" (white gallery card)
- Challenge – Special grouping (yellow gallery card)

2024 Viewers' Choice Quilt Display

The 2024 Viewer's Choice Quilt in the large category was sponsored by Ustena Simenson. This quilt entitled *The Ladies of Fashion* was started by Lois DeKalb. After her death in 1932, Lois's husband Pearl DeKalb married Anne DeKalb. Anne continued making one block each year, using children's clothing, work shirts, and curtain scraps to depict the current women's fashion trend, one block for each year. Blocks include embroidered finger wave hairstyles, real clothing pleats, and even pantyhose on ladies' legs in applicable years. The blocks range from the year 1929-1948.

The 2024 Viewer's Choice Quilt in the small category was by Mindy Smith. This quilt entitled *He Feeds Them* was designed and free motion thread painted by Mindy. Her inspiration came from Matthew 6:26, "*Look at the birds. They don't plant or harvest or store food, yet your Heavenly Father feeds them. And aren't you more valuable to Him than they*?"

"Pumpkins Galore" Quilt

The pattern was obtained from a set of free designs from the internet. No designer was indicated. It was hand embroidered by the Needlework Interest Group. Those members were: Martha Eberhard, Janice Haralson, Lauri Murphy, Debbie Odor, Donna Puleo, Corinne Remeika, Barb Sanders, Mindy Smith, Mona Stevenson, Betty White, and Merril Winfield. It was hand quilted by Lauri Murphy and Barb Sanders. Debbie Odor pieced it, and Jeannie Sanchez made the label. The quilt was completed in 2026.

"Rhapsody" Quilt

The pattern is "Rhapsody" by Dawn Heese. The blocks were needle turned appliquéd by members of the Sassy Stitchers Interest Group. Those members were: Peggy Brothers, Donna Burris, Martha Eberhard, Judy Gieselman, Linda Hancik, Deb Kagay, Judi Kirkpatrick, Carrol Lewis, Mavis Mitzel, Willie Morris, Mindy Smith and Betty White. The quilting was done by Trina Pratt. The binding and label were done by Willie Morris. The quilt was completed in 2026.

Challenge Quilt Display

This year's quilt show, *Freedom of Expression,* features a special grouping of challenge quilts created by BTQG members. Participants were invited to design and make a small quilt—no less than 12" and no more than 24" on any side—inspired by their favorite book. Each quilt includes at least one hand-stitching technique such as hand piecing, hand quilting (including big-stitch quilting), embroidery, or appliqué. We hope you enjoy the creativity, imagination, and diverse interpretations our members brought to this year's challenge.

The Displayed Quilts

We are pleased so many quilt owners are willing to share their quilts with you. The quilts on display involved many hours of dedicated work to complete and cannot be easily replaced.

- **Why can't I touch the quilts?**
  It is tempting to want to touch the quilts; but, even with very clean hands, dirt and oil from fingers can cause damage to the fabric. We encourage a lot of looking but please no touching.

- **Why can't I take food or drinks into the show?**
  A simple accident could ruin a quilt. While many are washable, some of the quilts, such as the wall hangings, may not be meant to be washed.

If you would like to see the back of a quilt, locate a show hostess who will be happy to turn a quilt's corner so you can see the back.

Presentations

Arbitrary Applique by Carol Sexton

This presentation explores arbitrary appliqué as a playful and creative technique in art quilting. Attendees will learn how working without predetermined patterns encourages spontaneity, visual storytelling, and artistic freedom.

Art Quilts by Jackie Berry

Join us for a presentation introducing the world of art quilts. The presenter will provide a PowerPoint presentation of her journey in quilting to showcase ways quilters use and enlarge photos as inspiration for art quilts and tips on designing your own patterns. Even if you can't draw, you can make art quilts which are used aesthetically for wall hangings. Techniques such as thread painting, beading, painting and dyeing fabrics, stenciling, as well as tips on how to do free motion quilting and motifs will be discussed. Journaling and documenting your quilts will also be explored.

Museum Bed Turning by Jackie Berry

The quilts that were selected to be shown in 2025 at the Missouri Quilt Museum in Hamilton, MO will be shown one at a time. These quilts were made by Booneslick Trail Quilting Guild members. Information regarding the inspiration and making of each quilt will be discussed.

Quilts Bed Turning by Marilyn Smith

Quilts Bed Turning is a classic quilt presentation in which quilts are displayed one at a time and discussed in an informal, conversational setting. Presenters will share insights into the design, techniques, and stories behind each quilt, offering a closer look at the artistry and craftsmanship of the works.

Wearable Art Fashion Show by BTQG

BTQG will host a garment fashion show. Those participating will assemble in the sanctuary at 11:40AM wearing their art and will parade across the stage at noon.

Workshops

The Bird Workshop by Patti Cantu

The Bird Workshop is an introduction to basic sewing and embroidery. This can be accomplished by hand sewing or using a sewing machine. We will be using denim scraps for this workshop. All supplies will be provided to make a hand sewn bird.

Spirals Workshop by Marilyn Smith

The Spirals Workshop is an interactive, hands-on session where participants explore spiral forms in quilt design. Attendees will experiment with shape, movement, and composition while creating spiral-inspired elements through guided instruction and creative exploration.

Bios of our presenters can be found on our website: Booneslick Trail Quilters Guild/Quilt Show/Descriptions of Workshops

Quilt Display Directory

Quilts are listed in numerical order for your convenience. Each quilt has an entry number on the gallery card found by the quilt at the show.
