

REMEMBER ME

Remember Me is a classic friendship block. This one is 6 inches finished. The instructions are for rotary cutting and machine piecing.

Finished size 6 inches

All of the smaller triangles will finish 3" on the right angle sides. Use an assortment of prints, any style or genre. Cut $6 \text{ ---} 3 \frac{7}{8}$ " squares and sub-cut each square once on the diagonal (enough for two blocks). The large triangle, signature space will finish 6" on the long side. Cut a $7 \frac{1}{4}$ " square and sub-cut on both diagonals (enough for four blocks). This is a great scrap quilt. Cut and stockpile triangles from scraps as you work on other projects

Assembly order:
