### Art 101 by Odyssey

Our August program is being presented by Odyssey, one of the art groups of the Ozark Piecemakers Guild in Springfield, Missouri. Come and enjoy hearing about what they have been doing in what they call "Art 101" and seeing the results of their work. Some of them are now selling their work through galleries so we may hear something about that, too. We will be meeting at Fairview United Methodist Church (our regular meeting place) at 7 pm. See you there.

Jean

Yum! I hope you enjoyed our July picnic as much as I did—and our program presented by Janice, Jan and Janeen. Bringing her daughter and granddaughter along to assist her was a great idea on Janice's part, and we were able to meet two new friends. Thank you, Janice, for all the good information (and the three beautiful memory quilts) and thanks to everyone who brought food and provided our picnic.

Janeen, Jan and Janice

If you haven't gotten your membership form and check in, please do so soon. August 15 is the deadline to get into the member handbook and directory. Send your form and check to Dennis Smith or give to the Membership Committee at our August meeting.

So far, this has been the busiest summer I can remember in a long time. I hope you are finding the time to do the things you like best: gardening, spending time with friends and family and quilting.

Marilyn

### Jean Brueggjenjohann—Innovative Designing

Jean is a graphic designer and graphic design professor at the University of Missouri, working professionally for over 30 years. She has always been interested in process and grids, book design, and intricate design jobs that require a lot of organization and detail work. She loves to solve problems and puzzles.

In 1991, while living in Los Angeles, she took an adult education quilting class and made her first block, followed by many, many quilts. Loving the design and process possibilities, she took the class every semester for the next 5 years to learn techniques. In 1995 she entered her first quilt contest and won a first place award. She has since won many awards and has also had her quilts published in magazines and books. Jean creates traditional and studio art quilts as well as quilts that are in between those types.

We have a treat in store, so come out that day and bring a friend. See you in August!

Corinne

The Day Chapter service project event of quilt-making was a success! We had a good turnout, considerable progress made on a number of quilts, and, as usual, lively and enjoyable conversations. Thanks to everyone who came to work on quilts and those who brought food and set up refreshments to share after a busy morning.

Corrine

## CEO Letter

Hello Quilters,

It has been too hot out to do much of anything. This is a good time to stay in the air and stitch! We have a lot of great programs lined up for this year. So watch for more details and mark your calendars for Sept. 14 and Sept. 15. Teri Henderson –Tope will be here as Special Speaker with a lecture and workshop. Teri's specialty is reverse appliqué. If you have never done reverse appliqué, here is your chance to learn a new technique.

Also remember it is time to send in your dues! If your dues are not paid by Aug. 15, you will not be in the directory and your newsletter will stop. Don't miss out.

I would also like to remind everyone that the Ex. Board meetings are open to all members. They are held on the second Monday of the month at 6:30 at the Public Library. If you are interested in what goes on or have something for discussion, feel free to join us. The guild belongs to all the members.

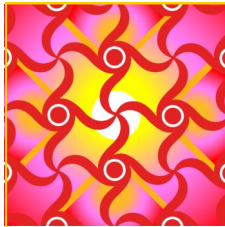

Here's to a great year of all things quilt related.

Dawn Heese  
CEO Chairman

Regular meetings of the Guild are held on the first Monday of the month at 1:00 pm and the first Thursday of the month at 7:00 pm at the Fairview United Methodist Church, 3200 Chapel Hill Rd., Columbia, Missouri.

Annual dues are \$30 for the fiscal year of July 1 to June 30. Dues are payable on July 1st.

### Day Chapter's Friendship Block Winner-Mary Peterson

Mary has lived in Columbia for about 25 years. She first became interested in quilting when she worked at State Farm Insurance and her fellow workers introduced her to the craft. When she retired she had more time to devote to quilting. She quilts at her church every Tuesday, where she works on charity quilts as well as her own projects. She has been a member of the Quilt Guild for about 10 years. She has chosen "Pieced Tulips" as her block, and is looking forward to handing out her blocks at the August meeting.

### Starlight Piecemakers' Friendship Block Winner-Julie Alsberge

I am happy to have won the friendship block this month. I am going to use my blocks to make a quilt for the Quilts of Valor. I have been working on a disappearing 4-patch quilt but have not gotten very far. I will provide the precut fabric and instructions. It has been a busy spring. My son, Jake, just graduated from Navy Boot Camp. In May, my daughter, Sadie, was sworn into the Air Force. She is a second lieutenant as she continues to pursue her studies in medical school to be a surgeon with the Air Force. I also have a step-daughter, Amanda, who is married and just celebrated her first anniversary. Steve is my husband. I continue to be a City of Columbia Letter Carrier having served in this capacity for 24 years. Petunias Quilting gives me the opportunity to quilt on my long arm machine which I have done for over ten years. I joined the Guild about 12 years ago and like most of us, have been sewing since I was very young. Thank you for stitching together a disappearing 4-path that will bring great joy to someone within the Quilts of Valor.

Julie Alsberge

## Library News

Our sale at the annual meeting earned \$242 dollars, which we are using to purchase new materials. Two new books have arrived, and several more are on the way. Quilts from Grandmother's Garden will please those of you who are interested in English paper piecing or hexagon quilts. It offers a technique for sewing hexagons into appliqué units to create beautiful floral designs. It includes ten small projects, which could easily be scaled up if desired. Home on the Plains: Quilts and the Sod House Experience is inspired by the words and quilts of homemakers who settled in the Nebraska plains and lived in sod houses. It gives you a glimpse of their lives and homes, and includes eight timeless patterns and variations. Stop by and discover our thousand plus gems!

## Christmas Blocks

We thought it would be fun to ask you to make a friendship block to be given to some lucky winners at the Christmas Dinner. With all of your Christmas stash fabrics we know it will be easy for you to construct four blocks over the next four months: August, September, October, and November. A 10-inch star block in one of your favorite colors will give you a chance to share your skills and talents. Each block you turn in will entitle you to add your name to the pot. The Christmas stars will be featured at the December meeting and Santa just might let you choose one of the beautiful stars for you to include in a future quilt. The number of winners will be based upon the number of blocks we receive. The Friendship Block table looks forward to receiving your Christmas block!
