Meeting and Program at 1:00 PM

Ladies Art Company with Connie Chunn

Ladies' Art Company was early on the quilting scene with quilt block patterns available through the mail. Our August Day Chapter speaker knows more about LAC than almost anyone in the quilt world. Connie Chunn has studied LAC for years and published *A BLOCK TOOL* with C&T several years ago. As she shares with us you will get a taste of the kind of information our predecessors had for their quilt making,

Connie is a long time member of American Quilt Study Group. She is a thorough researcher and generous speaker.

Join us in August back in our regular meeting space.

Bettina Havig

Hello everyone,

I'm Joyce Campbell, Day Chapter Program Director for 2016. You will be hearing from Bettina through October. Bettina is a very tough act to follow but with her mentoring I believe we will have a great year.

If any of you have any input about what you would like at the Day Chapter meetings, please let one of us know. We will try to accommodate you.

Here's to a great year, Joyce Campbell

Traditional Meets Modern by Sarah J Designs

What happens when a traditional quilter embraces a more modern design philosophy? Sarah Maxwell talks about her journey as a self-taught quilter who has embraced everything from brights to batiks to 1800s reproduction prints and how that has led to her current foray into fabric design as she presents a trunk show of her original quilts.

Sarah has designed countless quilts that have been featured in magazines such as *Mc Call's Quilting*, *American Patchwork and Quilting and Quilts and More*. Sarah has co-authored 4 books published with Kansas City Star and her fifth book has just debuted with C&T Publishing. She is also the co-owner of Homestead Hearth, a destination quilt shop in Mexico, Mo.

Sarah is now excited to turn her attention to fabric design. Hoping to meld her love of antique quilts and reproductions with a more contemporary aesthetic, Sarah's designs blend the best of the past and the present.

Don't miss this fabulous trunk show presentation. Her fabrics and quilts are sure to be inspiring.

CEO's Message Donna Puleo

I am thrilled to report our July Board meeting was energized by the most creative and positive mind set women I have ever had the pleasure to be a part of! I don't know everything, but I do know what I don't know, and I am grateful to be surrounded by smart women who will help me learn the things I don't know (try saying that 10 times fast!). We have a powerhouse of volunteers on the Board with the best interest of the Guild at heart.

And...more good news, I am ecstatic to announce Marilyn Woolridge **volunteered** to be the 2016-17 newsletter editor! Another example of a fearless woman that willingly offered her time and talents. Our dear Margaret finally gets a break after serving six years as our editor. Margaret served for four consecutive years, had one year off and then served another two consecutive years. And she was willing to continue until a new editor was named while serving as our Vice CEO. Now that's a strong woman! So please join me in celebrating Margaret's loyalty to her post as well as welcoming Marilyn to the Board.

Now for a bit of housekeeping. An updated membership form is included again in this edition of the newsletter for those members who haven't had the opportunity to renew their membership. It is also available on the website under the "members" tab. In addition to both of those options, printed forms will be available at the Day Chapter and Starlight Piecemakers Evening Chapter meetings for August only. Membership Chair Robin Heider and her committee members will be on hand if you want to verify your current information. If you have any questions about the form, please contact our Treasurer and keeper of all forms, Willie Morris. She's a dandy!

Willie is also your contact about any questions you might have about the quilt entry forms. Please direct all of your questions about registering your quilt/s to Willie as she will have updated information, deadline registration dates as well as the forms. As of this writing, we are approximately 75 days out from the quilt show so get those machines humming, fingers limbered up and express yourself through your quilts! It's going to be a fantastic show that will showcase all of your known and unknown talents.

Summer's lease hath all too short a date.—William Shakespeare

Bettina Havig will be teaching **Classic English Medallion** Friday, Sept.23. We explore medallion quilts with an eye to 21st Century techniques. The units are constructed by cutting only three size strips. The workshop especially looks at planning a medallion quilt including fitting the border sequences for a stunning result to put this classic style in your reach. This is a great way to learn basic borders even if you don't make a full quilt. If you are interested please contact Bettina directly at 573-449-1602 or bettinaqc@socket.net

Quilt Show Entry Form – Quilting Through The Seasons Show Dates October 1-2, 2016

In order to get the program, map insert, and lay-out done in a timely manner, and accurately, our deadline this year is **September 10th (if mailed September 7th)**. SO..... **Start** planning your entries. You must be a paid member to enter a quilt or sponsor a quilt. No quilt may be entered that has been in a BTQG show in the last five years, unless it was voted “Viewer’s Choice” in the previous show.

Again this year we **STRONGLY ENCOURAGE** you to type your entry directly into the form on the internet. This will make it much easier to do the labels. It also saves the guild money for printing costs. For those who sincerely shudder and shake at the thought of using the internet, we will be happy to accept the hand-written forms. For anyone who is submitting entries by hand, you will also need to fill in your claim check, except the areas marked “to be assigned”. If you do on-line, the computer will fill in the claim check for you. It is quick and easy to do.

TO DO ON-LINE REGISTRATION, you need to know the information from the registration form, especially width and height (IN INCHES).

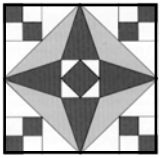

1. Go to the BTQG website (<http://btqg.missouri.org>) and click on [For Entry Forms Click Here](#).
2. On the next page select [Click here to enter your quilt online](#).
3. Read the directions at the top, BUT basically you just click on each entry with your mouse and type. **Be sure you pull down the arrow that says type of entry** in order to choose Quilt, Friendship, Wall hanging, Decorative, etc. EASY.
4. When finished, hit “Submit Quilt.”
5. Double check your typing for accuracy.
6. If okay, hit “submit my entry.” If not, go back and make corrections.
7. **Print your claim check and label** (all filled out for you) **before proceeding**,
8. Then either click on “Submit another quilt,” or hit the red X in the upper right hand corner to close windows.

Note: If you choose “wearable” OR “decorative,” identify the item by “decorative type,” so that we can make arrangements to exhibit it properly. Then fill in approximate size. If you made a quilt or other item in a BTQG sponsored class or in a class taught at a retreat, we would like to display those.

If you do not want to use the online entry form to enter your quilt, forms will be available at the July and August meetings. The form can also be printed from the BTQG website.

I will be at the July, August and September meetings to answer any questions. If you already know and have finished some of your entries, please submit the forms early. IF you have any questions, you can also call me at 573-424-1421 or email morrisw@missouri.edu .
