## BOONESLICK TRAIL QUILTERS' GUILD

*A Message from Carrol Lewis, President*

September will be an audience participation program. Please bring quilts or other items to show in the following categories:

- ◆ Antique (over 100 years)
- ◆ Vintage (50 years)
- ◆ Novelty techniques i.e., double knit chicken scratch, yo-yo, puff, cathedral window, etc.

The third category is for quilts that seemed to be popular in the 60's, 70's, 80's or 90's.

I am sure that practically everyone has something in at least one of these three areas.

Also during our show and tell portion, besides our regular items, we will have a theme each month to give members ideas for the coming season.

September's theme will be pumpkins. Bring items you have made over the years featuring pumpkins. Halloween items can be shown also, but the main focus will be pumpkins.

Can't wait to see what you have stashed away that you can share with us on September 14.

### Starlight Piecemakers Chapter Meeting

Thursday — September 3

*A Message from Ustena Simenson, President*

I hope that everyone has been quilting their little hearts out! I know I was inspired by Kathryn Jones last month to start an applique wall hanging for Autumn enjoyment.

September meeting is gonna be a guild trunk show of these Friendship Exchange Blocks that I've heard so much about. Apparently there used to be a group that would make a block every month and a lucky winner would get to choose the pattern to eventually put into a quilt. If you have one of these bundles of Love, would you please bring it to the next meeting to show off? I'd love to see all these treasures! And if you have some that aren't quite finished or you won another bundle at a retreat, please bring those to show as well. I'd like to see anything along these lines to inspire me and others to finish up some UFO's of our own.

And while you are digging through your treasures, if you have an Autumn themed project that you could bring for Show & Tell, that would be great! We are gonna start doing themed suggestions to help shake things up a bit, for those of us who need some inspirations.

I can't wait to see all these beauties and your twinkling eyes behind those PPE masks. Happy Quilting everyone!

### **We are holding our September Chapter Meetings as scheduled . . . .**

No Sit & Sews will be held in September. Our set-up person will have the chairs spaced apart according to the City's current social distancing guidelines. We recognize that many of our members may not be ready to attend a meeting — but others are. Our initial expectation was that we would see about 20 to 35 members at each July meeting, rather than our normal 40 to 60 person turn out.

**Chapter meeting attendance so far:**

**Day Chapter July—30 August—41**

**Starlight Chapter July—35 August—32.**

**All members are requested to wear masks.**

## CEO MESSAGE

The good news is having guild meetings has been successful. Chairs have been placed appropriately, masks are being worn, speakers have had wonderful items, and members have enjoyed being together. To accomplish this we must abide by the guidelines. That has meant additional duties following each meeting. Sanitizing of chairs, light switches, door handles, and bathroom are required. It would be very helpful if after the meeting members would wipe their chair and turn it 180° to denote sanitizing has happened.

Christi Brietzke has spent time trying to schedule speakers for each meeting. Many speakers are not traveling. A large number of people have their programs via technology such as Zoom. (Why did we not by stock in Zoom last Sept.?) Attempts to use Zoom projected in the church meeting room are being explored.

### Status: The Quilt Show Challenge

The quilt show Challenge will be delayed until next year's show. If you've finished a quilt for the challenge, tuck it away where you can find it next year.

And if you haven't finished one yet, you've got plenty of time to get started or finish up.

We're looking forward to seeing what contemporary things you've done with a traditional block. —Mona Stevenson

### REMEMBER THIS ?

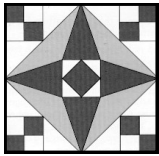

### "2020 Quilt Show Challenge – Everything Old is New Again"

Make a small quilt, no more than 24" on any side, using one traditional block – pieced or applique - in a contemporary (not necessarily "Modern") way. >For this challenge, traditional will be defined as a block designed before 1940. >The quilt may be a single block or multiples of the one block. It may have sashing and/or borders. The block must be recognizable. The quilt need not be square or rectangular. >The quilt must be 3 layers, quilted by hand or machine, with edges finished (bound, faced, satin-stitched, couched yarn, etc.). >No sleeve is required, since the quilts will be displayed together, pinned to a backdrop. >You must pin a black and white copy/drawing of the traditional block to the quilt. You may draw the outline of the block or use a photocopy from a pattern book. The copy should be 6-8" square and include the name of the block.
