## BOONESLICK TRAIL QUILTERS' GUILD

### CEO's Message

I'm excited about this coming Booneslick Trails Quilters' guild year! I am hoping to meet each member and put faces with names and find out what particular type of fabrics or styles of quilting excites each member. I love 1930's and 1800's reproduction fabrics, making traditional blocks with lots of pieces, and wool applique. I'm a member of the guild for the fellowship of like-minded quilters. There are many different reasons why people seek out a quilt guild. Some people are simply very social and find common ground with others in the guild. Some people are looking to gain skill in areas in quilting they have not yet mastered. Others simply enjoy quilts and want to bask in their presence! Whatever motivates you to join and/or renew your BTQG membership, I hope you meet your goals this year and that you share your passion with others in the guild. Here's to a great year!

#### *A Message from Mona —*

Happy New Year! It's the new year for our guild's officers, programs, and finances. After the June board meeting, I think we're in great shape for all of these.

This month the Day Chapter will be sewing for the Marketplace. Machines will be needed for the kits the committee will provide, which should be available about 9:30 for those who come to the sit-and-sew. More details in their article in this issue. If you no longer haul a machine around, I'm sure you could bring a handwork project to work on for the Marketplace. Come early – doors will open for sit-and-sew about 9 – and “bee” a part of our sewing bee. See you there.

Day Chapter President

#### *A Message from Alice —*

Happy New Guild Year!

Our program this month is from one of our own, Mindy Smith. For those of you who don't know Mindy, she is a quilter, speaker, designer, and textile/mixed media artist from Harrisburg, MO. She teaches quilting, applique, free motion quilting and thread painting classes. Mindy has made many commissioned quilts, as well as several that were donated to charitable organizations. Her designs have been featured in Wool Works and Quiltmania's Simply Vintage magazine. Her fiber art has been displayed at the University of Missouri, Denver National Quilt Festival and Paducah Quilt Show. She is also a professional member of the Heartland Quilt Network.

Her program this month is entitled: The Unencumbered Quilter. Since retiring from the University of Missouri, Mindy has been involved in a number of ventures that promote quilting and other folk/fiber arts. She will be doing a PowerPoint presentation letting us in on her adventures. She will also be bringing some Civil War quilts and their stories and some antique sewing things for display. There is a vibrant creativity in every quilter – this should be a fun and happy presentation. Please join us!

— Alice Leeper  
Starlight Chapter President

### Quilt Show Volunteers

Sign up sheets will be available at each meeting between now and the show. We had a few volunteers “enlist” at the annual meeting, but we need many more. So, check your calendar before our July meeting and plan to fill one or more slots on our roster. There are sitting and standing/moving jobs available at this point, so sign up early to get your pick.  
— Mona Stevenson

### Marketplace Updates

The quilt show is getting closer and closer, so it is time to start finishing up any projects you have planned for the Marketplace. We will have Marketplace work days at the July Day Chapter meeting and the August Starlight meeting.

#### July Day Chapter Workday

Come help us make items for the quilt show Marketplace. Precut kits to make foldable grocery bags, dinner napkin sets, and jar openers will be provided. You just need to bring your sewing machine, thread, and regular sewing accessories. You can also use this time to finish up your own Marketplace projects. Doors will open at 9am.

#### Magazine Sales

Do you have an overabundance of quilting magazines that you would like to get rid of? We'll be happy to sell them as part of the quilt show Marketplace. Magazines must be quilt related, be no more than five years old and in good condition (no missing pages), and have name & address labels removed. Magazines will be accepted at the July, August and September chapter meetings.

#### Consignment Sales

We will once again include consignment sales as part of the quilt show Marketplace. Possible items may include completed quilts, sewing supplies and quilting décor, to name a few. Sorry, but we will not be taking fabric on consignment. Consignment items should be pre-priced. Per BTQG policies, proceeds from sale of consignment items shall be divided as follows: 70% to the member and 30% to the guild. Consignment items will be accepted at the July, August and September chapter meetings.

For questions, contact Martha Eberhard, Barb Nixon or Hank Botts.

## Quilt Show Entry Form

“Block by block a quilt is sewn. Block by block a community has grown”.

Show dates September 23-24, 2022

In order to get the program, map insert, and lay-out done in a timely manner, and accurately, our deadline this year is August 24th (if mailed August 21). SO... Start planning your entries. You must be a paid member to enter a quilt or sponsor a quilt. No quilt may be entered that has been in a BTQG show in the last five years unless it was voted “Viewer’s Choice” in the previous show.

Again this year we STRONGLY ENCOURAGE you to type your entry directly into the form on the Internet. This will make it much easier to do the labels. It also saves the guild money for printing costs. For those who sincerely shudder and shake at the thought of using the Internet, we will be happy to accept the hand-written forms. For anyone who is submitting entries by hand, you will also need to fill in your claim check, except the areas marked “to be assigned”. If you do on-line, the computer will fill in the claim check for you. It is quick and easy to do.

TO DO ON-LINE REGISTRATION, you need to know the information from the registration form, especially width and height (IN INCHES).

1. Make sure your printer is working. You will need to print the claim check and label after submitting your quilt. You must do this before you close the page as you will not be able to get back to it.
2. Go to the BTQG website (<http://btqg.missouri.org>) and click on the Quilt Show tab.
3. On the next page select Click Here to Complete Quilt Entry Form.
4. Read the directions at the top, BUT basically you just click on each entry with your mouse and type. Some of the fields have pull down menus – priority, type of entry, for example.
5. When finished, hit “Submit Application.”
6. Double check your typing for accuracy.
7. If okay, submit your entry. If not, go back and make corrections.
8. Print your claim check and label (all filled out for you) before proceeding,
9. Then either click on “Submit another quilt,” or hit the red X in the upper right hand corner to close windows.

Note: If you choose “wearable” OR “decorative,” identify the item by “decorative type,” so we can make arrangements to exhibit it properly. This can be done in the description field. Then fill in approximate size. If you made a quilt or other item in a BTQG sponsored class or in a class taught at a retreat, we would like to display those.

If you do not want to use the online entry form to enter your quilt, forms will be available at the July and August meetings. The form can also be printed from the BTQG website.

I will be at the July and August meetings to answer any questions. If you already know and have finished some of your entries, please submit the forms early. If you have any questions, you can call or text me at 573-424-1421 or email [morrisw@missouri.edu](mailto:morrisw@missouri.edu) .
