BOONESLICK TRAIL QUILTERS' GUILD

CEO's Message

It has only been a few months that you have been hearing from me as the CEO. In the July newsletter you will be getting to know the new CEO. I have done some things in this office that I would never have volunteered to do and really didn't see myself as very capable of doing. But now that I'm almost finished I'm asking myself what I have learned through the experience. One thing that stands out to me is that by investing your time and energy in something it becomes that much more important to you. I have become more appreciative of all that the guild offers and more interested in participating and getting to know others than ever before. Not to sound like a broken record but I say this as a way to encourage all of you to consider a position on one of the committees that will be forming in the next few weeks. Even new members can be a member of the committees that make the guild what it is. If you are interested in some area or just want to get more involved be sure to mention that on the membership renewal form. Or make our new CEO's day by offering your help. I'm looking forward to a great Annual Meeting on June 3rd. I hope to see all of you there.

Robin Heider
BTQG CEO

A Message from Mona —

As my term as Day Chapter President comes to an end, I would like to thank each of you who has been a part of this year in our Guild. Special thanks to all those who helped plan and execute the December auction, as well as those of you who bid and made purchases. Additional thanks to Robin, who kindly opened the Sit and Sew at 9 AM on Monday mornings. Kudos, as well, to our program team who have worked diligently to book speakers near and far, and to welcome each of them on program day. Our library and membership teams have also been hard at work all year – thank you for your contributions.

It would take an entire page to list all the service project contributions, but special thanks go to Connie and her team for cutting, piecing, kitting, quilting, and delivering on our behalf.

I hope each of you will consider how you can

A Message from Alice —

I have thoroughly enjoyed being your evening chapter president this year. I would like to thank everyone who has shown up and participated in our monthly meetings. It's our membership that makes the Guild a great organization. Thank you to my Committee Chairs, especially the Program Committee – you are what makes the job of Chapter President easy and fun. Additional thanks to Lynn Hill, who puts out such a great newsletter each month. I would also like to thank Barb Nixon for the excellent job she has done for several years putting out timely email blasts when we need to get information to everyone quickly, and for her work as our Social Media Chair. I love seeing the pictures of the quilts shown at our chapter meetings on our Facebook group page. I hope to see everyone at the Annual Meeting in a couple of weeks!

A Quilter's Tip From Janice

Have you been cutting fabric with your rotary cutter and it is leaving some of the material connected because the blade has become dull?

If you will tear off a piece of aluminum foil and fold it over so it has one fourth on your cutting mat. Run your blade back and forth through the foil on the mat several times, this will sharpen your blade till you can get a new one to replace the old one. Clean up the cut foil and throw it away and this will save you from having trouble cutting your fabric.
